First, what do we mean by a "Sports Car"? Well, we don't mean a souped-up sedan with racing stripes.

The Fiat 124 Sport Coupe has a 1608 cc engine with twin overhead camshaft that turns out 104 bhp at 6,500 rpm.

It has power-assisted disc brakes on all four wheels and a standard 5speed gearbox.

It's a car you actually drive, unlike most modern cars which you

And what do we mean by "room for four"? We mean legroom, headroom and elbowroom for four 180-lb. men. With baggage.

If you find this hard to believe, all you have to do is take the car out on the road. Any Fiat dealer will arrange it for you.

You may find that a sports car with room for four adults is exactly the kind of car you'd like. In which case, to be honest, you have a choice. It's

the Fiat 124 Sport Coupe or something like a Ferrari 2+2. But for the price of a Ferrari

### Byman, Veto Vie In State Golf Final

Denver Post Sports Writer

Ed Byman has every intention of keeping Colorado amateur golf laurels this season strictly a family affair.

Earlier this summer his 16-year-old

brother, Bob, won the Colorado medal-play championship at the Fort Collins

country Club.

Ed., 20-year-old senior at the University

of Connecticut, Sunday takes on Tony Veto, 24-year-old senior law student at the University of Denver, in the finals of Colo-rado's match-play championship at Hiwan Golf Club.

This all-scholastic setting came about Saturday when Ed downed host club member Chuck Canepa Jr., 1-up on the 18th, and Veto dropped Bob Rowland of the Aurora Municipal Golf Course 3 and 2 in semifinal action.

Byman's win was spectacular and came after Canepa had rallied from a 3-down deficit to even the match going into the 16th. When Canepa drilled a 21-foot birdie putt on the 17th, it appeared he had taken

all the sting from Byman's game. Instead, Byman cut Canepa's charge off with a perfect 12-foot putt to halve the hole with a matching birdie.

Tension again mounted when Byman hooked his tee shot on the 18th into the

The win netted owner Sam Gerard \$10,000 of the \$17,500 purse and betters with winning tickets eashed in for \$50. The sleck brind's female also paid \$13.60 to place and \$5 to show,

Finishing second was J. A. Watson's Leota Page, who led most of the way despite a tangling muzzle. It was the eighth straight second-place finish for the

entry to the elevated green with a perfect fairway placement. But Byman laced a

ball stopping 11 feet shy of the cup. Canepa's straightaway approach came up short and to the left and he was left with a 35-foot, cross-country putt. Canepa was close on his putt for a cinch par, but

he won four of the first five holes played, turned the front nine in even par and was 3-up. Then he won two of the first three on the backside to carry a 5-up margin at the end of 12 holes.

Rowland won the 13th and 15th but the match went dormie on the 14th (Veto leading 4-up with 4 holes to play) and Rowland's birdie four on the 15th only prolonged the match one more hole.

Both parred the par-three 16th when Rowland missed a three-foot birdie attempt and Veto needed two to get down in par from six feet.

The 36-hole championship pairings are set Sunday for 8:30 a.m. and 1:30 p.m.

Byman's family moved to Boulder three years ago from Kingston, N.Y., and both he and Bob are registered out of the Flatirons Golf Club there.

Carter Mathies of Hiwan will play Mike Mulhern in the finals of Sunday's President Flight, Mathies defeating Dick Johnson 2 and 1 Saturday while Mulhern downed Dave Runberg, 5 and 4.

Byman's early surge against Canepa

was marked by two unusual shots.

On the par-five second hole his third shot approach stayed up in the branches of a pine tree and he lost that hole with the unplayable lie.

On the par-four ninth, he was in the light rough slightly off the fairway but could not find his ball. He had to retreat to the tee box and his double-bogey loss there cut his lead over Canepa to only

Otherwise Byman was much sharper than Canepa, the latter repeatedly missing greens in regulation and frequently blowing crucial chip shots he needed to keep him in closer contention.

When Canepa did make his surge he won the 13th through the 15th holes with a par-birdie-par performance, Byman (who carried his own bag) showing signs of fatigue on Hiwan's hilly terrain.

But there was no question about his winning rally where he took three straight threes, the 16th through the 18th, and won with a convincing birdie-birdie finish.

Agnes Clark's persistency in keeping a solid junior golf program going at Lakewood Country Club paid off again Sunday when 24-year-old Tony Veto scored a convincing 4-and-3 victory over Ed Byman of Boulder at Evergreen's Hiwan Golf Club in the finals of the Colorado Men's Match-Play Tournament.

Veto is a graduate of the Lakewood junior corps. His best previous tournament finish was

runnerup in The Denver Post's 1963 junior tournament at City Park municipal course.

Last year it was Billy Clark, Agnes' 19-year-oid son, who won the men's match-play championship, an accomplishment first recorded in the Clark family by Bob, father of the boys, Bobby, Billy and Mark.

"You bet it was Agnes," the ebullient Veto agreed. "Her determination brought all of us up through the ranks," the new champion said.
